1st Vice President Resigns Lion Stacy Lewis Advances

First Vice President Lion Marilyn Weed has accepted a position at Randolph AFB and will be moving to San Antonio in time to start her new job August first.

"I accepted the job at Randolph with mixed emotions." Lion Marilyn said. "I'll miss working with our Leo Club and I was looking forward to being first vice this year, but I couldn't pass up this chance for a promotion."

Lion Marilyn remains the District 2-A2 treasurer and will maintain her membership in the Del Rio Host Lions Club until she finds a Club in the San Antonio area.

Second Vice President Stacy Lewis advances to First Vice President pursuant the Club's constitution and by-laws. Lion Stacy has asked for the Club's support as she is advancing sooner than planned. She is confident that she is up to the task, but like all First Vice Presidents, her success depends on the support of the members of the Club.

Marilyn's partner is service, Lion Jim, is staying in Del Rio until he can land a job in San Antonio. Lion Jim will stay busy being the Club's Membership Committee Chairman.

Club Membership Drops to 124

The Del Rio Host Lions Club remains one of the largest Clubs in District 2-A2, but membership has been falling for several years. This is a trend that must be stopped.

The number of members in the Club is more than just bragging rights. More members means more hands to serve Del Rio and support the programs of the District and MD2, including the Texas Lions Camp.

The number of voting delegates the Club has at District depends on the number of members in the Club. The number of voting delegates at MD2 depends on the number of members in the District. And most importantly, the number of voting delegates at International depends on the number of Lions in MD2.

Make it your personal goal for Lions year 2010-2011 to sponsor one new member. Think of the reasons you joined Lions and share those reasons with people you know. Invite your friends, co-workers and neighbors to attend a meeting and learn more about what we do as Lions.

Keep a membership application handy and ask someone to join Lions. You know someone who is not a Lion. When was the last time to asked them join us in service.
